

ANGELS' ARMS *Est. 2005*
20TH ANNUAL
BAR BOUNCE
Historic Soulard 1-800-CHEERS-FRIENDS

Welcome to Bar Bounce!

We invite you to join hundreds of Angels' Arms supporters as we gather for a very special milestone—our 20th Annual Bar Bounce on Saturday, September 27, 2025. This lively and beloved event directly supports the foster families of Angels' Arms, with 100% of proceeds going toward our mission!

Participants are encouraged to form a team and designate one person as the team captain to lead their group. Throughout the day, you'll enjoy a festive atmosphere filled with beer pitcher tickets at participating bars, team t-shirts (while supplies last), great food and drink specials, and a fun, predetermined route that will guide you through some of the best bars in the Historic Soulard Neighborhood!

Becoming a Sponsor.

As a valued sponsor, your business has the opportunity to support Angels' Arms by contributing \$1,000, \$500, or \$250. In return, your company will be recognized as an official sponsor of this high-impact event.

Imagine over 750 enthusiastic participants—our “bouncers”—wearing your logo on their team t-shirts as they celebrate and support an incredible cause. In addition, your business will receive promotional exposure through our social media channels and the Angels' Arms website in the weeks leading up to the event.

It's a unique chance to align your brand with a meaningful mission and reach a wide, engaged audience in the St. Louis community.

Good Times for a Good Cause.

All proceeds from this event directly benefit Angels' Arms, a St. Louis-based nonprofit, with the mission of engaging local communities, providing homes, resources, and experiences, and keeping siblings together. While it may be called a “bar crawl,” the real winners are the incredible kids whose lives are changed by your support.

Thank you for considering this sponsorship opportunity and for supporting the Angels' Arms mission to keep foster siblings together. On the following pages, you'll find details on the various sponsorship levels available.

Thank You,
Jessie Squellati & Thomas Nordmann
